CITY SET NEW MARK

OVER 8,000 WERE SERVED AT FAREWELL BARBECUE.

SOME TEARFUL GOODBYES

But the Men Who Went Were Cheerful and Jolly in Anticipation of Service for Uncle Sam.

Maryville set a new mark yesterday in entertaining crowds and established a precedent that is most gratifying to the citizens and business men who made the big farewell reception and barbecue possible. With a conservative estimate that 15,000 people came to tell the men of the new army good-bye, the largest crowd that has ever gathered here, there was not an arrest for any cause, not a drunken person was seen on the streets and no accident of any consequence was reported. There was no hitch in the program and every event was on schedule time.

The committee in charge of the barbecue says that over 8,000 persons were served from the tables in the court house yard. 9,000 plates were purchased and less than 1,000 remained after the barbecue. Many also had two helpings on a single plate. There was plenty of meat for all, but the pickles and potatoes were exhausted for the last five hundred who came. Hundreds ate at restaurants or brought their lunches with them.

It had been the intention of the parade committee to traverse several streets before going to the depot, but on account of the men having to be checked over by the draft board members, they were prevented from joining the parade until just in time to go direct to the depot.

There were some touching scenes at the station when mothers, sisters and relatives said their final good-byes, while tears were in the eyes of many onlookers as they watched the partings. The men themselves, however, were cheerful and jolly and indulged in jokes and laughed at the tears that were being shed for them. Not a man appeared downcast over prospects of a trip to the trenches and the chances for his safe return. They were a fine appearing lot of young men and looked fit for service in the cause in which they have enlisted. As the train containing the two special cars in which they were sent to St. Joseph pulled out of the yards arms and heads came out of windows in response to a hearty cheer and the waving of hats and handkerchiefs from the three thousand persons who were there.

The biggest part of the success of the farewell barbecue was due to the various towns in the county — they sent the crowds. The people of Barnard are due special mention for the magnificent manner in which they turned out and co-operated with Maryville. A large share of credit is also due the Women's Relief Corps, Spanish and Civil War veterans and the Boy Scouts.

It was a day worth while for all concerned and many of the men who went away were unanimous in agreeing that it had given them much pleasure and encouragement for the work that lies before them.

POURING INTO FUNSTON

7,000 Missouri Men Will Begin Drill Work Tomorrow in Overall Uniforms.

Camp Funston, Kan., Sept. 20. — Missouri's drafted "Sammies"—7,000 strong—were pouring into the government concentration camp here today. Every train brought hundreds of the second contingent of 40 per cent of the quotas of Missouri and seven other states.

There is a shortage of clothing and it will be several days before the men will be completely equipped, but there is an abundance of good, wholesome food.

As the men arrived they were given suits of overalls, assigned their quarters and instructed on their duties. Missouri men who arrived today will begin drilling tomorrow. There are 15,000 overall "uniforms" in the commissary.

A number of Missourians who came here with the first 5 per cent contingent have been made corporals or sergeants and they will drill the "boys" from their home towns who came here in the second contingent.

Several British and French officers are expected here soon to assist in the training work.

CELEBRATES BIRTHDAY

Joseph Jackson, Sr., Has Been a Resident of Nodaway County Seventy-Four Years.

Joseph Jackson, Sr., for seventy-four years a resident of Nodaway county, and president of the First National Bank of Maryville since 1884, is quietly celebrating his seventy-fifth birthday today. Three out-of-town daughters, Mrs. M. G. Saunders of Pueblo, Colo., Mrs. Paul Ream of Kansas City and Mrs. G. E. Alexander of Medicine Lodge, Kan., arrived early in the week for the event. The other children are Mrs. J. F. Colby and Joseph Jackson, Jr., of Maryville.

Mr. Jackson was born in Jefferson county, Ohio, September 20, 1842. With his parents, he came to Missouri in the spring of 1843, locating in Platte county. In the autumn of the same year the family came to Nodaway county, locating one and a half miles north of Maryville. In 1861 Mr. Jackson was among the first to tender his services to the Union cause by enlisting in the state militia, and in 1863 he joined Company F of the Twelfth Missouri Cavalry. He participated in many of the stirring events of the war; was twice wounded, being deprived of one of his lower limbs from the effect of a musket ball, at the memorable battle of Nashville. Being unfitted for field duty, his time was occupied in attending to the wants of the hospital sufferers. He served until the close of the war, when he was honorably discharged.

Returning to Nodaway county in 1865, he was appointedcounty clerk, to fill an unexpired term. The same autumn he was elected to the office, and in 1866 re-elected, again in 1870 and also 1874, serving until 1879, when he turned his entire attention to the banking business, having become interested in this branch in 1873.

In 1884 the First National Bank of Maryville came into existence and Mr. Jackson has been president of this banking institution since.

DEATH OF MRS. THOS. NEAL.

Mother of Mrs. Ben Chandler Dies of Cerebral Hemorrhage.

Mrs. Thomas Neal of Bedison died at 2:30 o'clock this morning of a cerebral hemorrhage, at the home of her daughter, Mrs. Ben Chandler of Maryville, with whom she was visiting for a few days. Mrs. Neal was 67 years old. The body, accompanied by Mr. Neal and Mrs. Chandler, will be taken tonight to Benton, Ill., for burial.

Enrollment at Springfield.

Springfield, Mo., Sept. 20. — The war has cut down the enrollment at the Normal school here. The enrollment this year is about 400.

OFFICERS ELECTED

G. B. ROSEBERRY AGAIN HEADS COUNTY S. S. ASSOCIATION.

CLOSING SESSION TODAY

Basket Dinner for Delegates by People of Pickering was Feature Much Appreciated.

At the annual convention of the Nodaway County Sunday School association being held at Pickering the following officers for the coming year were elected today: President, G. B. Roseberry, Maryville; first vice-president, O. G. Null, Pickering; second vice-president, J. M. Broadbent,Barnard; secretary, Miss Eva M. Davis, Maryville; treasurer, Dr. J. N. Gray, Maryville; superintendent of elementary department, Mrs. R. M. Barry,

G. B. ROSEBERRY
Re-elected president of the Nodaway County Sunday School Association at the Convention at Pickering.

Maryville; secondary department, Miss Iva Nance, Burlington Junction; administrative work, E. M. Claypool, Maryville; teacher training, Bert Cooper,Maryville; management, Rev. C. R. Green, Harmony.

Last night's session of the convention was largely attended, many stopping on their way home from the celebration at Maryville, to hear the speakers on the program. Additional delegates from other schools in the county were also present. The evening praise service was led by Rev. T. J. Puckett. "At the Gate Beautiful," was the subject of a talk by Sterling P Williams, in which he pointed out the service that is needed and the opportunities for doing good that are all around us. In "The Debt We Owe," by Mr. Vieth, the speaker pointed out some of the omissions that are made by workers, that if corrected would result in a larger degree of efficiency.

In addition to a most interesting program this morning in which Rev. E. H. Hutchinson, Rev. S. A. Coile, Pres. Richardson of the Normal, Sterling Williams and Mr. Vieth took part, the basket dinner at noon given by the people of Pickering for the delegates, added to the social features that have been quite pronounced. The convention will close this afternoon with addresses by President G. B. Roseberry, Rev. T. H. Wiles, Sterling Williams and Mr. Vieth.

SHOWS UP DUPLICITY

SEC. LANSING COLLECTS EVIDENCE OF GERMAN INTRIGUE.

CONGRESS TO WORK ON?

President Insists New Insurance Bill Be Passed Before Adjournment —Crop Reports Flattering.

(By W. C. Van Cleve).

Washington, D. C., Sept. 17.—Secretary Lansing has been doing some valuable work for the Allies by the evidence he has been accumulating and giving out relating to the duplicity and intrigue practiced by the German Government in neutral nations. Imposing upon the friendship of these nations, it has practiced the most shameless treachery through their diplomatic agents. The publication of indisputable proof of these facts is damaging to the Hohenzollern cause. Ships and armies can kill the bodies of men and destroy property but such revelations kill public respect and destroy the few remnants of friendship and respect that remain for the Kaiser.

***

Picketing the White House and the continuance of petty annoyances directed at the President by the "Congressional Union" is reflected in the recent overwhelming defeat of suffrage in Maine. The ladies who have been making themselves a nuisance and sometimes a menace to the safety of the President have proved beyond a doubt that they, at least, do not understand politics and public sentiment well enough to vote or even run at large.

***

President Wilson and Mrs. Wilson have been visiting in Massachusetts and New York for ten days past. They went up on the Government yatch, the Mayflower, and called at the summer home of Col. House, his personal and political friend and advisor. He has been apparently combining business with pleasure and he has, incidentally, put another crimp in the plans for an early adjournment of Congress by insisting that the Senate consider and pass the new insurance bill before adjournment. The leaders of the House and Senate had agreed to clean up other unfinished business and let the insurance bill go over in the Senate until the December session.

***

Recent wage increases in the industries engaged in the production of war materials have been little short of enormus. A dispatch, for instance, says that several rollers in the steel mills at Youngstown, Ohio, are making much as $800 per month or at the rate of $10,000 per year as the result of increases receatly granted. Heaters, roughers and other skilled workers are able to make from $12 to $15 daily. The steel companies are making tremendous profits and the workers are determined to share in the profits.

There is beginning to be a good deal of criticism in Congress and in the newspapers because of certain contracts let, through an arrangement of the Council of National Defense, on the ten per cent guaranteed profit basis. The cost, in some cases at least, is figured to include six per cent on the contractor's investment and it has been charged that such contractors have been boosting the costs in order to make their ten per cent larger. In this way they not only pay needless wages and material costs but make it difficult for those concerns working on a competitive basis to continue business.

When billions are being spent, some mistakes are unavoidable and some unfair practices will creep in Under systems heretofore in vogue, it falls to the lot of hundreds of men to draw up specifications and let contracts who are new and inexperienced in the work and it is very likely that, before the war is much older, the President will have to insist on a revision of the methods by which such things have

Bishop Quayle Is Expected to Make Appointment at Conference Now in Session.

Dr. William F. Burris, for two years superintendent of the Maryville district of the Methodist church, probably will be the next superintendent succeeding Dr. J. J. Bentley, who has been the head of the institution, until now known as Ensworth hospital, for nineteen years.

Dr. Burris was tendered the position at a meeting of the board of the hospital Monday night says the St. Joseph Gazette, but did not definitely accept. It is expected that he will be appointed to the place by Bishop W. A. Quayle, who is presiding over the annual conference now in session in Braymer.

Dr. Burris has been a member of this conference since 1894, having held the following pastorates: Greentop and Queen City, 1894-5; Milan, 1894-8; Kahoka, 1899-00; Maysville, 1902. He was field secretary of Missouri Wesleyan college in 1901, and district superintendent of the Hannibal district,1903-5 and of the Cameron district, 1909-15.

Dr. Burris was recommended for the superintendency of the hospital by a committee of the board made up of S. H. Justice, chairman; T. M. Longmuir, Dr. J. Jacob Steininger, and H. E. Blagg.

UNFIT MEN WERE FIT

Federal Grand Jury at St. Joseph Will Hear Report of Board in Draft Fraud Charges.

St. Joseph, Mo., Sept. 20.—The federal grand jury here investigating alleged draft frauds in this district today will consider the report of the board which re-examined registered men who were questionably exempted. Nearly all of 21 registered men in Buchanan county who were exempted were re-examined at Kansas City and found physically fit. More re-examinations are under way. This strengthened the charges of widespread draft frauds in this vicinity and a number of indictments are expected.

W. G. Sawyers, Representing Provost Marshal, Says Complaint Must be Properly Presented.

The following appeared in Wednesday's Kansas City Post:

"Fifteen sons of wealthy Nodaway county, Missouri, farmers, exempted by local boards in the draft, are physically sound and fit for service, according to a complaint laid before the Western district draft board in the Federal building today.

"A drafted man, who was not exempted, called the board chairman, Matt W. Hall, on the telephone from Nodaway county this morning and declared he knew these 15 exempted men to be sound and qualified. Mr. Hall advised the complaint to demand an investigation by the sheriff of Nodaway county."

W. G. Sawyers, county attorney, and special agent of Provost Marshal General Crowder, when asked today if he knew anything of th ematter said that he was approached yesterday by Byron Kinsley whose address is Maryville, and two other men whom he knew only by their last names, one Neidel, the other Scott. Kinsley, he said, had a list of some eleven or twelve names on a sheet of paper, and asked that they be re-examined by the board, as he, Kinsley, thought they were physically fit for service and should not have been exempted. He offered no proof of any irregularities, Mr. Sawyers, said, only his opinion that they should not have been exempted. Not presenting the request, supplied by affidavit as is the proper procedure required by the provost marshal general's regulations, nothing was done. Mr. Sawyers has heard nothing further from any of the three men.

Mr. Sawyers says, as representative of the provost marshal general, he is ready at any time to take up any complaint if presented in a regular way. The board, he says, will welcome the fullest inquiry into any specific act brought to their office as required by the regulations.

Breaks Ankle This Morning.

Miss Dora Fenton, the 15-year-old daughter of Mr. and Mrs. Frank Fenton of Clearmont, suffered a broken ankle this morning, when she stepped from a car while in motion. The accident occurred at the girl's home. A physician was immediately called, and Miss Fenton is reported resting easily this afternoon.

BIG OFFENSIVE IS ON

BRITISH SMASH GERMAN POSITIONS OVER WIDE FRONT.

THE DRIVE IS TERRIFIC

Believe Stroke Now Under Way Will be Greatest Yet Undertaken — Good Weather Hurries.

Special to The Democrat-Forum.

London, Sept. 20.—Field Marshal Haig today rendered his great offensive on the West Flanders front by smashing the numerous German positions on the wide front. Following a bombardment of tremendous violence, the British assaulted the German positions east of Ypres, carrying all their objectives, the war office announced at noon.

All along the battle line, the British attacks are continuing with utmost vigor. The thrust in Belgium was preceded by one of the most terrific cannonades ever known. For weeks the German lines have been pounded with drumfire.

It is believed that the British stroke now under way will be the greatest yet undertaken, and Haig will endeavor to roll the Germans back all along the West Flanders front before the bad weather interferes with operations.

TO ATTEND D. A. R. MEETING

Miss Ruth Montgomery Will go to Marshall as Delegate from the Local Chapter, Oct. 1-5.

Miss Ruth Montgomery of this city, will attend the state conference of Daughters of the American Revolution which will be held at Marshall, Mo., Oct. 3, 4, 5. Miss Montgomery will go as a delegate from the local chapter.

The principal business before the conference will be the election of a state regent to succeed Mrs. William R. Painter of Carrollton, who is according to the constitution of the organization, ineligible for re-election.

Mrs. John Trigg Moss, regent of Cornelia Green Chapter, of St. Louis, has been selected to stand for the vacancy.

Associated with Mrs. Moss on the ticket will be Mrs. George E. George, regent of Kansas City Chapter, who has announced herself as candidate for the vice-regency; Mrs. Austin Lee McRae, regent of Noah Coleman Chapter, Rolla, as state historian;Mrs. Joseph E. Thornton, regent of Columbian Chapter of Columbia, as state registrar, and Mrs. O. S. Wilfley, regent of Webb City Chapter, as state treasurer.

Mrs. George F. Guernseyof Washington,D. C., president of the D. A. R. will attend the meeting.

FOR CHRISTMAS BOXES

Local Surgical Dressings Units Secure "Miss American," with Mary Pickford.

Getting Christmas boxes ready for Nodaway county boys in the army and navy will be a part of the work of the Maryville National Surgical Dressings units, there being seven. In order to secure funds necessary, these units have arranged with the Empire Theatre management to show "Miss American," with Mary Pickford on next Monday night and members of the units are selling tickets for the performance at twenty-five cents.

There are nearly one hundred boys from Nodaway in service in all the branches of the service and for those in France, five are now there the boxes will have to be ready by October 1. The picture is quite appropriate and was seen in the east by Miss Beulah Brunner and in Chicago by Mrs. W. J. Osburn, both of whom say it is a wonderful film. It is a late release with Mary Pickford.

"The Best Is The Cheapest" Isn't True of Everything

BUT it's true of clothes. All-wool fabrics wear longer, keep their shape better, hang better, and fit better than "mercerized cotton" fabrics; and these are the things you want your clothes for.

All-wool clothes will cost you more than cotton, of course; the point we make is that even at the higher prices they're cheaper.

It is a real economy to buy a Hart, Schaffner & Marx suit and pay $25, or $30 or even more, instead of putting $12 or $15 into a suit that's made of "mercerized cotton" fabric which will fail absolutely to do the things you expect of your clothes. You may save a few dollars; but you lose money in the end by buying such clothes.

Angells' Comedians Please Again.

Angell's Comedians had another packed house at their big tent theatre last night. It is very easy to understand how this company is so popular with the Maryville show-going public, for in addition to a good dramatic production, there is offered by the management good clean vaudeville and an orchestra that is an entertainment by itself. The company will present tonight a western comedy, "On the Border," which is claimed by the management to be the best western comedy ever written.

Mrs. Walker Lee Campbell of Portland, Ore., who has been visiting her mother, Mrs. Blanche Douglas of Kansas City, arrived in Maryville Tuesday night to visit her sister, Mrs. Will Wallis, Jr.

COMMUNICATION

The Giant Is Awake.

Until recently there have been two glaring objects before us — Prussian brutality and American unpreparedness.

The great Republic was slow, too slow, to see the necessity of entering the great European slaughter pen. Those who were in the habit of keeping up with European politics knew as far back as 1914 that this country would be involved and chafed under the collar at the indifference displayed on all sides.

It took several jolts to make us understand that the greatest criminal was at large; a fiend with no limit to his audacity.

So far as history leads us we have records of great criminals whose hellish work made their names go thundering down the ages.

Caesar Borzia, Pope of Rome, poisoned every one who stood in the way of his fiendish work.

Nero burned Christians at the stake —rung the bells and made it a gala day when a new batch of martyrs were to be roasted for his royal pleasure. But these criminals confined their devilish work within their own regions and their crimes were impulsive and spasmodic.

The Cultured Bandit of Berlin takes his time, lays his plans, spins his web, and in due time lands his victim. He knows no superior in villany and Borzia and Nero are but novices to "God's own appointed," (borrowing the language of Wilhelm).

No human, if he is a human, has possessed so many faculties leading up to building a character to which Satan himself must bow in deepest respect.

Egotism, self-esteem, hypnotic, magnetic, hypocritical religious fanticism, —half human, half devil, half crazy, half normal — that's the verdict a phrenologist would give after feeling his royal bump.

Give a thing like that the power of a king and 40,000,000 people to back him and he is something to take seriously.

Sired by a fairly decent father and born by an excellent English mother we wonder how this monstrosity was ever created — All Germany rejoiced when this "brat" was born and all Germany is groaning today.

But she is still under the spell and to bring her out of it the great American Republic has girded its sword; for that purpose we were gathered in Maryville yesterday to bid Godspeed to our boys who will face the beast in his own den. Could he but see this Missouri town and realize what it means to him. We are sacrificing our best blood on the altar of principle, that the world, including poor blind Germany, may be free.

War at any time is a crime, but deliberate, contemplated, wholesale murder is worse. We have to stand for one of two evils and we choose war—and it is war to the finish. The men are coming out of the west, not to plead or argue any longer — not to reason or mediate — but to kill in cold blood all who uphold organized murder — So this world may live in peace once more.

The gallant boys from Nodaway county we are sending out will be heard from — When on the battlefield they will sing—

Nodaway is far away—
But we will put her on the map.

been done. The War Department is musty with old and obsolete methods and red tape and ancient rules have caused much confusion and loss of time and efficiency, already.

Along with the reports of a tremendous corn and oat crop comes the Government report that this country will have at least 100 million bushels of potatoes in excess of the amount ordinarily consumed in the United States. Reports also from the states of Michigan, New York, Colorado and New Mexico, the chief bean growing states, show that this year's crop will amount to 19,969,000 bushels as against 8,846,000 bushels last year. There were 1,500,000 acres planted to beans in the four states, named this year. With this amount of beans and potatoes on hand, together with the oat and corn crop, there is no danger of starving this year. Oat meal, fried potatoes, baked beans and corn bread will not only keep the American stomach full but will build a world of good muscle and brawn.

They should also help Mr. Hoover to bring down the cost of wheat bread. The results of the food administration are being awaited with interest. The price of wheat has been reduced and a reduction in the cost of flour is promised but the bread makers have been clinging desperately to their ten cent loaf. When the price of wheat was fixed, they promptly announced here that it would be impossible to make any appreciable reduction in the price of bread but public insistence has forced some of the bakers here to announce a forth coming 14-ounce loaf at eight cents within the last few days.

A study of the bread problem presents some interesting mysteries but none more interesting than the fact that England, who buys her wheat mainly from the United States now, France and Italy can supply their people with bread at much less than we have to pay for bread made from wheat raised at home.

Mr. Garfield, the coal dictator, gave us a cold shiver last week by announcing that cooler houses would be one of the ways in which all would have to contribute to the necessities of the war but we now have the more agreeable statement that in a few days retail prices will be fixed on coal throughout the country by which all will be enabled to secure a winter's supply at a reasonable price. Let us hope that Mr. Garfield has solved the problem.

HEAR JUVENILE CASES

Jury Hearing Case of aul Cunningham, an Orphan, Over Whom Dispute Has Arisen.

Juvenile cases occupied the attention of Judge John M. Dawson today, one necessitating a jury trial to determine. Paul Cunningham, a fourteen year old boy and an orphan, was presented before the court, following a disagreement between an officer of the St. Louis Orphans home and David Shupe, where the boy had stayed for several years, as a dependent and incorrigible. The boy of late has been making his home with Otto Bleisch and is going to school. His teacher testified to his good behavior and others to his good habits. The jury hearing the case is composed of Reuben oung, Chas. Wadley, Fred Newlon, Geo. Conrad, John Awalt, Wm. Phares, Theo. Hawkins, E. H. Bainum, C. F. Welborn, G. B. Holmes, Fred Smith and Dick Strong.

Robert Dorman, of Wilcox, fifteen years old, charged with being a delinquent was permitted by the court to go home with his mother but will be under observance of the probation officer.

Theo. Wenrick, of Conception Junction is another orphan before the court on a delinquency charge. His former home in St. Joseph. Judge Dawson has not decided what disposition to make o fthe boy.

Awaiting the Crisis

The expectant mother, awaiting the greatest time in a woman's life, should by all means render nature a helping hand.

"Mother's Friend" has been used by thousands of women. By regular use the muscles relax naturally and without strain when baby is born. The work which nature is performing is wonderfully aided by this safe, scientifically prepared preparation. The usual stretching pains during the period are avoided and the time before baby arrives is one of quiet repose and joyful anticipation.

The expectant mother should not go a single night without applying it herself. Write to The Bradfield Regulator Co., Dept. A, 300 Lamar Bldg., Atlanta, Ga., for their book, "Motherhood and the Baby". It will be sent at once without charge.

"Mother's Friend" is procurable from any drug store. Ask for it today.
